

Moderation Policy

We will post any comments to this website unless the comment contains:

- **Personal information or personal contact information**
- **Advertisements**
- **Information which identifies employees associated with the project owners by name**
- **Obscene or foul language, even when it is implied through misspelling or character substitutes for individual letters**
- **Content which defames anyone or any organisation, that is has the potential to harm their reputation**
- **Intolerant comments about a person, for example their race, age, religion, culture, gender, sexual preference.**

If you feel your comment has been unfairly held back please email:
